

Target Market Statement: AXA XL

The purpose of this document is to explain the identified target market and the expected distribution strategy for each insurance product manufactured by AXA XL. Specifically, it provides information on a product category level about the main features and optional covers associated with each product and clarifies who our products are designed for and who they are not appropriate for. This Target Market Statement also explains the way our products should be distributed and provides information around the complexity of our products and how to ensure that a product provides fair value to our customers as intended.
